FOR

REQUEST FOR BID # 17-9017-DH-C

DATED

January 5th, 2017

**THE SPECIFICATIONS NOTED BELOW ARE MODIFIED AS FOLLOW AND EXCEPT AS SET FORTH
HEREIN OTHERWISE REMAIN UNCHANGED AND IN FULL FORCE AND EFFECT:**

1. When does the University intend to award?

The goal is to award the bid the week of January 23-27, 2017.

2. Even with an immediate award, the due date is very tight and likely impossible given shop drawings, mock-ups and samples. There are also several sign types that have longer lead items specified. Is it possible to prioritize sign types? Is the March 1st installation deadline a drop dead date?

ICA will take whatever measures possible to expedite the process of mock-ups/samples being required. If ICA/vendor feel comfortable with not seeing mock-up/sample for a particular item, which will be mutually agreed upon.

Bidders should provide an estimated timeline with their bid response.

Sign Type Priority:

- Room Signs – High Priority (ID-01, ID-02, ID-03, ID-04)

- Concourse Signs – High Priority (X-01, X-02, D.01)

- Locker Room Experience – High Priority (S.01, S.03, S.04, S.05, S.06)
- Vestibule – High Priority (S.13)
- Mud Room – High Priority (S.10)
- Concourse Signs – Medium Priority (X-03, X-04, X-05)
- Locker Room Experience – Medium Priority (S.02)
- Mud Room – Medium Priority (S.09)
- SEC Team Wall – Medium Priority (S.11)
- Concourse – Medium Priority (S.16, S.17, S.18)
- Vestibule – Medium Priority (S.15)

3. The following sign types have drawings but aren't noted on the bid form: S-07, S-08, S-12, , S-14.

These drawings have been omitted from the project.

4. Can we elect to decline to bid on specific items, for example the trophy case. This is not a typical fabrication item for sign fabricators. Will our bid be thrown out if we elect to decline a bid?

Bidders may bid on a line by line basis.

6. Will a message schedule be released? **See schedule below**
